Training Topic 1 – What Will Be Covered

NICET Fire Alarm Level I Certification > NICET Fire Alarm Level I – Lesson 2 > Training Topic 1 – What Will Be Covered IN PROGRESS

LESSON PROGRESS 3% COMPLETE

00:00 00:00

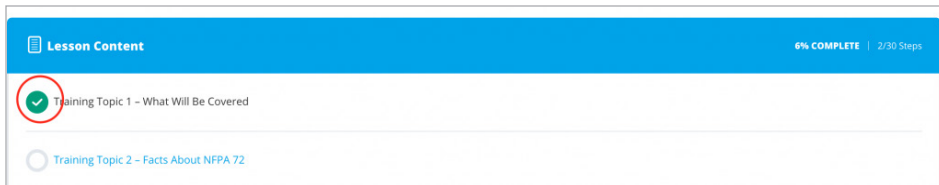

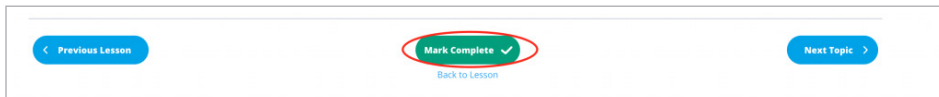

**Learning Points**

- In this section we will cover NFPA 72 the National Fire Alarm and Signaling Code and its general application.

NFPA 72 primary reference for the installation of fire alarm systems

Familiarity is important for industry professionals

**#4. VERY IMPORTANT:** When you have finished with each topic, click Mark Complete. This will mark that topic as completed AND advance you to the next topic. This will also create an indicator of what you last studied so that you can easily pick back up when you log in next.

## Codes for Your Exam

All of NTC's NICET training is based on the codes that NICET allows into the certification exams. You will want your own copies of these codes as you are studying. NTC carries these as a convenience to our customers:

[NICET Fire Alarm Level I Codes](#)

[NICET Fire Alarm Level II Codes](#)

[NICET Fire Alarm Level III Codes](#)

[NICET Fire Alarm Level IV Codes](#)

## Study Guides

NTC has companion study guides for all of our online training. If you need additional study help, check out these guides:

[NICET Fire Alarm - NTC Red Book](#)

[NICET Sprinkler - NTC Black Book](#)

[Security and Low Voltage - NTC Blue Book](#)

[Fire Alarm Systems - NTC Brown Book](#)
